

# The 33<sup>rd</sup> Annual North Dakota Ladies Run

The longest running women only motorcycle rally in North America!

**July 17-19, 2020 / Where you are!**

The Unstoppable Story of continuing the NDLR while in a pandemic.

Once upon a time there was a woman who wanted to ride a motorcycle and she was told she couldn't. But that didn't stop her. She tried and tried and tried again. She finally succeeded. Then she wanted to meet other women like her, who loved to ride. She wanted to encourage other women who wanted to ride. She wanted people to know that women do ride and they ride their own. So, the North Dakota Ladies Run began in 1988 with 9 women, 33 years later the run continues to create stories. We have had as many as 179 women attend this run.

Those desires of this one amazing woman have now become the 3 purposes of the NDLR.

1. Socialize and meet other ladies who ride (all makes and models)
2. Make the public aware that women ride
3. Encourage other ladies who want to ride.

This year, the first purpose is not an option due to the pandemic although, we can focus on the other two. We will be doing a social distance run as large group gatherings are not possible as well as limited border crossings. We have decided to forge ahead with making the NDLR happen in a way that fits our current situation. **The unstoppable story.....**

**W**e have designed a T-shirt and a Bandana specifically for this year's run and created suggested events to happen on that weekend. The cost for the run is \$20-\$45 depending on what you order (see registration form for pricing).

**O**n July 17th set up those video cameras, put on your costume of your favorite story book character, and tell us your favorite story of being on a past run. If this is your first run; tell us why you ride and why you decided to be part of this run. Please introduce yourself at the start of the video: your name and where you are from and how long you have been riding.

**O**n July 18<sup>th</sup>, we will be together in spirit. Large gatherings are not encouraged but if we can do small groups at that time; then gather your local sisters and go for a ride. If we can't do small gatherings, take a ride yourself (obey all shelter in place laws at the time). Wear your T-shirt\*\*\* or bandana\*\*\* and take a photo of you in it on the run. To help identify everyone, create a sign with your name, where you are from and 2020 The Unstoppable Story. We have created a scavenger hunt to make the ride interesting. Send the photos and videos to a secure online album. The URL and password will be sent to you once you have registered. They will be available to access for 1-year post event.

**T**he registration will include the T-shirt or bandana or both, and access to the photo/video albums. Donations are appreciated to help the starter fund for next year's ride. Family Chiropractic & Massage has donated money to be used towards this year's run. In hopes of keeping as much of the starter fund for this year's run available next year.

**P**rizers will be drawn from those that submit their photo scavenger hunt. As the NDLR is an unstoppable story, please help those children in need by donating a children's book to your local children's charity or library.

**W**hat do you need to do next? Fill out your registration form and send it in. You will receive your t-shirt/bandana, album access information and itinerary for the social distance ride. In order for this to happen we need to make sure we have enough time to get everything mailed back and forth so registration will need to be done by June 12th. If all goes well to have everything to everyone by July 14th.

**M**ailing address is:

Maggie Peterson  
207 Broadway St  
Enderlin, ND 58027

If you have mailed in your registration already, you will be contacted.

\*\*\* We wish we could guarantee that things will get to everyone without a hitch, but we can't. So, if your stuff hasn't arrived in time, please wear any NDLR shirt or bandana that you have. We will get you the itinerary and album access.

**E**mail **NDLR2020@mail.com** with question, concerns and registrations. A **PayPal account (margaretpeterson1)** has been setup for easier registration.

# The 33<sup>rd</sup> Annual North Dakota Ladies Run

The longest running women only motorcycle rally in North America!

## July 17-19, 2020 / Where you are!

The Unstoppable Story of continuing the NDLR while in a pandemic.

## Waiver (Must be completed by each attendee):

I understand that the purpose of the North Dakota Ladies Run is:

- To socialize and meet other ladies who ride (all makes and models)
- To make the public aware that women ride.
- To encourage other ladies who want to ride.

I understand this is a social gathering for ladies who ride motorcycles. I am responsible for myself. There is no organization holding this event. It is arranged for and by ladies who ride. No one is profiting from this event. This gathering for lady bikers is not responsible for accidents.
